A CARD TO MASONS,

AND THE PUBLIC GENERALLY.

The Directors of the Masonic Relief Association of the city of Norfolk, Va., hereby amounce to the public that the Masonic Gift Concert, which was advertised to take place on the 15th inst., is postponed unit.

TUESDAY NIGHT, THE 5TH OF MAY NEXT, when it will positively and unequivocally take place, and \$250,000 will be given away.

The patrons of this enterprise will at once understand the reasons why this postponement is rendered necessary. The recent financial panic which swept over this country and paralyzed so many business enterprises in all sections has very materially interfered with the sale of tickets, and this alone has, in the opinion of the Board, prevented the entire success of the undertaking at the appointed time. Judging from the letters received from our agents throughout the country a postponement was expected from the effects of the panic, and owing to the scarcity of money very many delayed purchasing tickets, choosing rather to do without than invest, feeling, as they did, uncertain that the drawing would take place at the time appointed. The Directors are greatly encouraged by the work already done, and they hereby announce positively that there will be no further postponement, and that the drawing will take place at the time appointed whether there will be no further postponement, and that the drawing will take place at the time appointed whether there will be no further postponement, and that the drawing will take place at the time appointed whether there will be no further postponement, and that the drawing will take place at the time action has been unannounce positively undertake as a series of the country, asking that the drawing would be postponed unless the prizes could be paid in full. Feeling assured of our success in this enterprise we cheerfully submit our cause to the country, asking that the drawing would submit our cause to the co
